

## PILLOW MENU

All of our in-room pillows are 50% goose down, 50% goose feather filled pillows. We also offer a variety of other pillows (listed below), complimentary to you during your stay. Please reach out to the Front Desk with your request.

### BUCKWHEAT PILLOW

Pillows filled with buckwheat hulls have unique therapeutic qualities recognized for centuries in the Far East. The buckwheat hulls allow the pillow to mold to your neckline, relaxing your neck muscles releasing stress in the head, neck and shoulder areas.

### LAVENDER PILLOW

This versatile buckwheat pillow, scented with lavender, provides support for resting, sleeping, or lower back. The scent of lavender is considered conducive to the release of stress.

### MEMORY FOAM PILLOW

This unique non-allergenic memory foam actually molds around your head for an unbelievably comfortable sleep. The luxurious foam will rejuvenate tired and sore muscles while easing sleep related aches and pains.

### BODY PILLOW

For an unforgettably peaceful sleep, treat your entire body to a 5% goose down, 95% goose feather body pillow.

### PREGNANCY PILLOW

The pregnancy pillows wedge design lifts and supports your abdomen at a comfortable angle. This provides a gentle cradling effect to help you get the sleep you and your baby need.

### 100% SYNTHETIC PILLOWS

For those guests with allergies, we offer 100% synthetic hypoallergenic pillows.
